Chapter 1 by Glitch

I am alone.

I can disappear.

I can fade into the background.

I am a shadow.

I could walk away with no one caring.

I am forgotten.

I am a shard of glass of something once beautiful but now broken.

I can be all those thing, I am all those things.

I am broken.

But my heart will beat for the one that loves another.

I will smile when she says 'love you too.' with no meaning. I will wait so she doesn't see me cry.

Chapter 2 by -

I scream help

I shriek shock

I squeeze necks

I smuggle drugs

I twist arms

I cut wrists

I suffocate
I murder
I drown
I shoot
I hang
I die

I am Death

Chapter 3 by ebeohp_annasoh

But am I dead?
Or am I just broken and completely void?
Emotion is something I do not know
But I know very well
That the world does not
Revolve around something
As silly as love

Chapter 4 by Biso Lekhuleni

Is it going to be peaceful, like a river?
Or a riot like the sea?
I look to the left, I look to the right,
nobody recognizes me.
A living ghost, I am cause it feels
like no one can see me,
they see right through me.
It cuts me off from the rest of the world.

Chapter 5 by -

Eyeless sockets stare at all
Shriveled up hair disintegrated
Dried up bones dangling down
Brittle limbs slowly swayin

This is me: Skeleton

I am dead, or so *they* think.
You will become the same.
One day that will be us all.

Chapter 6 by -

It is calling, beckoning
Me from afar. Like a
Ships flag blowing a
Silent signal in the sky.

It is watching, showing
Me the way. Like a
Lighthouse lighting a
Path across an unknown.

It is staring, intimidating
Me here right now. The
Face of Death slowly
Closing my eyelids forever.

Chapter 7 by -

Sometimes, it seems
Like the best thing.

To let someone you
Love leave this world.

They were in so much
Pain that to stay - *hurt*.

You want to keep them

Forever but you can't.

To endure another moment
Of life for them is worse.

Than living through what
Could have been - "If only!"

You reason to your
Broken, aching heart.

Trying to find relief
From the sudden loss.

Of a person you had made
so many memories with...

You wonder how it is
Possible to keep on.

Living in a world full
Of people that can leave.

Your life forever touched
And then suddenly gone.

Oh, how awful the touch of
Death's sweet hands are!

Chapter 8 by Fire

I told you to stay back.
I told you to stop trying.
I told you to die.
But you are stay next to me.
You try even more.
you still live with a beating heart.

Why don't you understand?

I want to stop my beating heart.

The tic and toc of it in my chest.

It hurts.

It hurts like fire to water, stinging and burning trying not to die.

even when the last ash is smothered.
eyes watch me with disgust, the wonder why I crave darkness and death.
They do not understand, just as you.
I want what you can't give.
Death.
I want to be taken for this cold world
But death will be inky darkness.
No blood
No screams
No more suffering
The tic toc of my already broken heart will stop.
Somethings are meant to be dead.
Somethings are meant to be killed.
I am one.
I am the one that will walk the path with no light.
I will not cry for help.
I will lay in a pool and black with no light.
I will die.
